Pursuit of Excellence Scholarship Letter of Recommendation

The O'Neal School Pursuit of Excellence Scholarship awards two renewable \$5,000 scholarships to exceptional external candidates entering grades 9–11 who demonstrate a significant strength or passion in areas such as academics, music, theater, the arts, or athletics, along with meaningful engagement and growth within their school communities. In your recommendation, please comment on how you are related to the applicant, the student's key strength or passion, how you have seen this ability develop over time, the student's character and involvement in school or community life, evidence of personal growth or resilience, and the ways you believe the student would positively contribute to The O'Neal School.
